

## Harvest Fest

On Tuesday, our K-6 students enjoyed a beautiful, warm afternoon of lively harvest-themed activities. Students were split into groups of all ages to promote community-building across elementary grades. How wonderful to see the leadership of the Grade 7/8 students who planned, designed and coordinated the games. It was a blessing to hear the encouragement offered by the older students to the younger ones. Thank you, parents and grandparents, for coming and joining in on the fun!

## Apple Pie Days

Apple Pie Days will be happening this coming week on October 25-27. We are still looking for volunteers to help out on Thursday, the 27th. If you are able to contribute your time to this day, please contact Katie.

## MyHCS App

Thank you to everyone who has downloaded the app and come on board with us in this new form of communication. We will no longer be using PiP for announcements. This is definitely a learning curve for all of us. We hope to share some weekly tips and we appreciate your patience as we sort out any glitches. As we start using the app for communicating class and group announcements and assignments, we ask that you be sure to sign up for those that apply to you.

### HELPFUL TIPS

Choose the Classes tab, then tap the gear icon (top right) to select your Classes (e.g. Grade 5).

Choose the Groups tab, then tap the gear icon (top right) to select your Groups (e.g. Athletics). If a new class or group is created, we will be sure to let you know to subscribe.

*"For in Him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through Him and for Him. He is before all things, and in Him all things hold together." Colossians 1:16,17*

## ABOUT ME

I arrived in Houston in September 1975 to teach grades 3 and 4. I was taken to P.V's for a "logger burger" and "the dump" to see the black bears. I joined a backpacking trip in late August to experience the Telkwa Range and was hooked.
