## Safer Schools Together

-Social Media Awareness, Digital Citizenship & Cyber Bullying - Student/Parent Sessions-

This month, many HCS students will be watching a series of Social Media Awareness sessions in their classrooms. The grade 5-7 sessions will take place on November 22 and 30, and a grade 8-12 session will take place on November 15. Safer Schools Together is also providing information sessions for parents to watch on their own or together with their children on November 15 and November 30. Taking advantage of this opportunity will add tools to your good parenting toolkit! Please read the information below. You can find out more through the clickable orange 'REGISTER' link above.

*This Parent/Caregiver session focuses on all things digital. Your child in Middle/High School has now entered the peak of their digital media lives where cell phone ownership doubles, video game use explodes, and social media use becomes problematic. This session will cover recommendations for family rules, parental controls, family tech plans, as well as suggestions for monitoring your tween/teen's digital life.*

*At this age, children encounter situations that will challenge their independence. Parents/Caregivers have an important role to play in providing support and guidance during critical periods. A snapshot of current trends and concerning apps and platforms will be provided to equip you in your digital parenting strategy.*

## MyHCS App

Did you know you can now access the student handbook on the app with just a simple click? Here's how:

HELPFUL  
TIPS

On the home tab, click on Student Handbook and scroll to read :)
