Order Discovering

The Grade 7 & 8 students have been working on a Chemistry unit in Science. One of their projects was to research two different elements on the Periodic table and record the atomic number, atomic mass, symbol, family, and properties of these elements. They also included a short written portion with more information they had gathered. They then used the posters to recreate the Periodic Table in their classroom. (A few kids did some extra posters to fill in the gaps!) They enjoyed the process and learned many new things.

Q: What do you get when you combine Hydrogen, Carbon and Sulphur?

A: A really great place to learn and grow!

What's Happening at HCS?

February 7 (Tuesday)

- 12:45-1:45 Skating for Kindergarten
- 1:45-2:45 Skating for Grade 5

February 16 (Thursday PM)

- Elementary Student-led Conferences

February 17 (Friday) NO SCHOOL

- Professional Development Day

February 20 (Monday) NO SCHOOL

- BC Family Day

WILDCATS CORNER

Upcoming Game/Tournament Dates:

February 3&4 (Friday & Saturday)

- Jr. Girls Zones (ECRS)
- Schedule sent out on the HCS app

February 11&12 (Friday & Saturday)

- Jr. Boys Zones (Smithers)

Valentine's PB + J Drive

For several years now, our school has chosen to celebrate Valentine's Day in a way that takes a step back from the consumerism, wastefulness, and unhealthy foods that can so often be a part of this day. We have instead sought to find a way to celebrate the day that blesses others beyond our own HCS community, with the love of Christ. This year, rather than students bringing cards and treats to share with their classmates, we are having a PB + J Drive for our local food bank! These are specific items that are always needed and the Salvation Army staff are excited by this idea. Starting today, we will begin building a PB + J tower in the office. Students are encouraged to bring any size jar of peanut butter and/or jam/jelly. (Please note that the food bank cannot accept homemade jams or jellies.) Thank you for your support in this effort.

*"A new commandment I give to you, that you love one another:
just as I have loved you, you also are to love one another.
By this all people will know that you are my disciples,
if you have love for one another."*

John 13:34-35

This fundraiser is NOW OPEN!

West Coast Seeds™

**40% of funds earned
from every packet sold
will go to HCS!**

**All seeds are untreated
and non-GMO.**

**We offer a wide range of
vegetables, herbs, and flowers.**

**All seeds can be ordered
on the fundraising site**

fundraising.westcoastseeds.com

from February 1 - February 28.

MEET THE TEACHER

MRS. KOBES KINDERGARTEN TEACHER

ABOUT ME

I grew up in Houston and attended HCS. I am married to Daryn and have three wonderful kids: Julianna, Landon and Blake. The community has supported our family beyond anything I could imagine; we are so blessed to be a part of HCS!

FUN FACTS

- I lived in Quebec City for a summer for an immersion program.
- I enjoy the outdoors.
- I've climbed the Ladder Canyon in California.
- I swam with dolphins in Cuba.
- I've climbed Dunn River Falls in Jamaica.

MY FAVORITE..

FOOD: Steak and Crab

BOOK: The O'Malley Series
by Dee Henderson

BIBLE VERSE: Psalm 8

ANIMAL: Orca

COLOR: Purple
