

## SHELTER BUILDING IN OUTDOOR ED

Our Grade 11 and 12 students have been working hard on the art of shelter building. They've been honing their skills to construct various types of shelters in the great outdoors. These photos showcase their dedication and teamwork as they master the craft of shelter creation. From simple lean-tos to more intricate designs, their shelters are impressive. Once completed, the shelters will be assessed based on their energy efficiency, materials used, and construction time.

“For the baby in my mom’s tummy”  
- Finn

HCS is thankful for..

“Going to church, going to school, and living on a farm.”

“Farmers that give us food.”  
- Nora

“For Jesus for saving our lives”  
- Jace

The students in sixth grade worked hard to get ready for their upcoming performance of a song during the worship night.

Updated directories went home with students today. New families will also receive a student handbook.

## What's Happening at HCS?
