The school has recently purchased new combination locks for the student lockers. We are asking for help from the school community to engrave numbers onto the locks. This will help identify which lock belongs to which student. Please let the office know if anyone is interested and capable of performing this task. (p.brown@houstonchristianschool.ca)

Hotel Noel

The Christmas play was a tremendous success. The school is fortunate to have so many talented individuals. We extend our heartfelt gratitude to Mrs. Michalzik for her hard work with our elementary students and for teaching them all the beautiful songs. We would also like to thank Mrs. Van Zanten and her students for their assistance in designing the sets, and Jenna Chapman for her help in teaching American Sign Language to the Grade 4/5 students for their performance.

Grad Christmas Cookie Sale

The grad class cookie sale was a delicious triumph. The cookie-making marathon took place in the school kitchen. The aroma wafted through the hallways, enticing students, teachers, and staff to purchase their own cookies. The grads sold 54 boxes of cookies and made \$1,479. An immense thank you to the parents and grade 11 students who helped make this fundraiser successful and to everyone who purchased cookies.
