**EVENT
POSTPONED**

We regret to inform you that the Oliver Play has been postponed due to unforeseen circumstances. We understand this news may be disappointing, but our students will continue to work hard to learn their parts. We remain hopeful that the production will be ready by Fall 2024.

Safer Schools Together (SST) is an organization that has a proven track record of equipping, supporting, and training schools to provide a safe and caring school environment. Both Mr. Ewald and Mr. Duzan have received training from SST as safe-school coordinators. SST is a key HCS partner in providing school safety. As part of its Digital Threat Risk Assessment training, SST provides Free Family Training Sessions. Please seriously consider taking advantage of this opportunity.
