

Formal Day

April 18

Get your glam on! It's Formal Dress Up Day at school – let's turn the hallway into a runway of style and smiles!"

**EVENT
POSTPONED**

We regret to inform you that the Oliver Play has been postponed due to unforeseen circumstances. We understand this news may be disappointing, but our students will continue to work hard to learn their parts. We remain hopeful that the production will be ready by Fall 2024.

FUN FRIDAY

The Grade 2/3 class has a special tradition called Fun Friday, which they get to enjoy after a week of hard work. During Fun Friday, students can choose their lunchtime seating arrangements in the classroom and participate in various fun activities during the last half-hour of their school day. This reward serves as a powerful motivator for the students, encouraging them to stay focused and give their best throughout the week. This special tradition also strengthens the bonds among classmates and provides a moment to relax and have fun after a week of dedicated learning.
