

The elementary students are excited to be back together on the playground!

School Photo Day

Friday, September 20

HCS is excited to announce that we will be using a different photography company for our school photos this year. BergMedia will be taking our individual and class photos on September 20. As with our previous photography company, parents will receive an access code to confidently order photo packages online. Parents will still have the option to choose the background for their photos. However, unlike our previous company, BergMedia will provide 3-5 unique poses for parents to choose from as well. Retakes have not been officially scheduled, but will be offered in October.

Elementary School Supplies

The cost of this year's elementary school supplies will be \$40 per elementary student. We are asking that parents of students in Kindergarten to Grade 6 either visit the office to make the payment or send an e-transfer to kim.vanb@houstonchristianschool.ca (with "school supplies" in the memo) before September 30th.

What 's Happening at HCS?

September 20 - Friday

- Picture Day

September 30 - Monday

- Day for Truth and Reconciliation
- No School

PERMISSION SLIP FORMS

Permission slip forms went home in your youngest child's backpack today, September 13. Please return the signed form to the office as soon as possible. Without a signed copy, your child will not be able to attend any off-campus activities.

Buy Low gift cards are once again available for purchase in the office. This is a great fundraiser for the school, as we profit 10% of all card sales. We try to make it easy for you by ensuring that we always have plenty of cards in stock. We accept cash, cheque, and e-transfer.

**E-transfer address:
groceries@houstonchristianschool.ca**

● What's Happening in Sports?

Sr. Boys Volleyball Playday
Ebenezer, Smithers
Wednesday, September 18 @ 7 pm

Sr. Girls Volleyball Playday
Cedars, Prince George
Friday, September 20
Saturday, September 21

GRADE
K/1
FUN

As part of ADST, the kindergarten and Grade 1 students were challenged to build a structure that would hold all the “people” in the class.
