Elementary School Supplies

The cost of this year's elementary school supplies will be \$40 per elementary student. We are asking that parents of students in Kindergarten to Grade 6 either visit the office to make the payment or send an e-transfer to kim.vanb@houstonchristianschool.ca (with "school supplies" in the memo) before September 30th.

SCHOOL PHOTO ACCESS CODE

The photographer, BergMedia, sent home a paper with your child that contains an access code. This code will allow parents to view and order their child's school photos on the BergMedia website. If your child does not bring home a form, the office will receive duplicates via email from the photography company on Monday, September 20th, and can provide you with another copy.
