# **WE KNEAD** a little *Christmas*

What an incredible turnout we had for our Elementary School Christmas performance, House of Bread! A heartfelt thank you goes out to the many staff members and volunteers whose hard work and dedication made the evening such a success. We also want to extend our congratulations to all the students for their efforts—whether it was learning their lines or practicing Christmas songs, your hard work truly shone through. It was a magical evening that beautifully reminded us of the true meaning of Christmas and why this season is such a special time to celebrate.
